#### MARUTI 🔰 🛠 SUZUKI Way of Life!

Kizashi is a Japanese word which means 'a sign of good things to come' - and it embodies the essence of change. The car is a testament to the grand vision of a few, designed for the discerning few. For those who are driven by a zest to succeed and who see challenges as stepping stones in the pursuit of their vision.

A Challenger A Performer A Leader The Dawn of a New Era Maruti Suzuki presents - India's First Sports Sedan.

'With Kizashi, Maruti Suzuki will reinforce its supremacy in the Indian automobile sector. After decades of producing class-defining cars, the new Kizashi highlights Maruti Suzuki's innovative approach to car making.

An emotionally appealing sedan for active people, it is set to create new milestones in the automobile sector.'

SHINZO NAKANISHI, Managing Director, Maruti Suzuki India Ltd.

# Thrill of Freedom

Kizashi with its dynamic contours mirrors an athlete in motion and makes a bold and powerful impression. The fine balance of elegance and sportiness makes it a design marvel. Its wide powerful stance tempts you to break-free from the crowd and pave your own road ahead.

Headlamps: In the headlamps, the connected rings with a silver finish were inspired by jewellery, the lenses and other elements create beautifully contrasting visual textures.

Wheels: Even when the Kizashi is stationary, its sporty 17" aluminium alloy wheels communicate dynamism and class.

Dual Exhausts: Kizashi's distinctive stainless-steel exhaust covers were inspired by Suzuki's world-beating sport bike designs.

Suspension: A highly rigid and light suspension system gives great handling. It has subframes with floating structures to ensure that the ride is smooth and quiet.

Transmission: The Continuously driving conditions. If you prefer, Variable Transmission (CVT) makes you can choose a sport-tuned, sixdriving easy by constantly adjusting speed manual transmission. its operation to suit changing

Multi-link Rear Suspension

MacPherson-Strut Front Suspension

## Power in Motion

Experience power coursing through your veins as you grip the steering wheel of a Kizashi. Relish the feeling of invincibility, as limitations become a distant blur in the rear view mirror. With a 2.4L engine at its heart, enjoy sheer bliss and exhilaration at the push of a button. Savour the perfect harmony of control and speed as you wield its incredible power.

Engine: With a powerful 2.4L engine, Kizashi is a powerhouse that offers superior performance without compromising on fuel economy.

| Maximum Output

178/6,500 Ps/rpm

| Maximum Torque 230/4,000 Nm/rpm

## Pure Indulgence

.

The term indulgence acquires a whole new meaning each time you sink into the plush leather seats of a Kizashi. Revel in the luxury as a minimalist design, sporty instrumentation and ergonomically designed contemporary interiors, reflect your taste for finer things in life. Now, just sit back and rediscover driving pleasure.

20

-----

Space: On the road, experience convenience like never before with well-crafted storage spaces close at hand. The boot has 461 litres of space, which you can easily use for diverse purposes thanks to a split rear seatback that can be folded down to expand the luggage space into the cabin.

Storage: The centre-lower box in the instrument panel contains a USB port and a power socket.

## Luxury Redefined

00 20 HO 20

VOC.

A host of luxuries make Kizashi a revelation that redefines driving comfort. With spacious interiors and a refined new design, Kizashi has been crafted to make your every drive a joyride.

Climate Control and Audio system: The automatic air-conditioner adds comfort and lets the driver and the front passenger choose different temperatures. The integrated audio control panel with soft-touch buttons in a simple layout complements your listening pleasure.

23.5 🛄 쳐 18.5

TEMP .

ESP<sup>®</sup> (Electronic Stability Program): To maximise the driver control and make driving safer in various conditions, ESP<sup>®</sup> helps prevent wheelspin and skids by applying control to the engine and the brakes when necessary.

The Kizashi's body is light and strong thanks to extensive use of high-tensile steel. It combines structures that absorb greater underfloor strength for resistance to impact from and disperse impact energy with a deformation-resisting all directions.

## Peace of Mind

Experience complete peace of mind as your senses are overwhelmed by a feeling of security. With advanced new features like the anti-lock braking system, ESP<sup>®</sup> (Electronic Stability Program) with traction control for easier maneuverability, six airbags and impact-absorbing materials and structures, your drives are secure like never before.

Kizashi was awarded the highest ratings at the US NCAP safety awards, 2010, making it one of the safest cars ever made.

SRS Airbags: Extensive protection in the cabin includes two front airbags, a side airbag in each front seat, and left and right curtain airbags.
