

THE ALL-NEW  
*Regal*

IT'S A WINDING RIBBON OF ASPHALT  
THAT BECKONS YOU.

IT'S ALL THOSE ERRANDS AND QUICK TRIPS  
TO THE MALL, IN A CAR WITH OVER  
60 STANDARD SAFETY FEATURES.

IT'S A (TEAM) SPORTS SEDAN  
WITH ROOM FOR A COACH, A WEEK'S GROCERIES,  
AND A ROWDY BUNCH OF MVPs.

Vehicle not moving. When operating your vehicle,  
make sure everyone is wearing a safety belt.

AND TO BACK UP THE HIGH-PERFORMANCE  
LOOKS, THEY DROPPED ONE OF THE  
WORLD'S TEN BEST ENGINES\* INTO IT.

\*Ward's Auto World, 1995 and 1996.

THIS IS A NEW KIND OF SPORT SEDAN  
A HIGH-PERFORMANCE FAMILY  
CAN REALLY GET INTO.

YOU GET THE FEELING SOME ENGINEERS AND DESIGNERS GOT TOGETHER AND HAD A WONDERFUL TIME GOING OVER YOUR WISH LIST.

## PERSONAL FAVORITES

1

You wanted power? A 3800 Series II **Supercharged V6** engine is standard on Regal GS. It will, shall we say, haul more than groceries.

2

Great control and increased road feel are two advantages of Regal's **magnetic variable effort steering** which automatically adjusts to varying speeds.

3

An enormous feeling of **stability and control**, plus a low, road-hugging profile result from longer, wider tire positions.

4

With standard **traction control** on Regal LS or full-range traction control on GS, you're no longer intimidated by Mother Nature's occasional fits.

5

Standard **anti-lock brakes** help maintain steering control and help prevent skidding when braking on most slippery surfaces.

6

The sky's all yours with the available **sliding glass Astrorooft**. It offers a retractable sunshade for bright days, and tops off your open air enjoyment.

7

Regal does you a good turn with a tight turning circle, and the **power rack-and-pinion steering** makes getting in and out of tight spaces a breeze.

8

Features like a **tire pressure monitoring system** check the small stuff while you enjoy great handling, instant performance and luxurious comfort, standard on Regal GS.

## SPECIFICATIONS

### Engine

Type (LS)	3.8-litre 2600 SFI <sup>(1)</sup> Series II V6
Horsepower	195 @ 5200 rpm
Torque	223 @ 4000 rpm
Type (GS)	3.8-litre 3800 SFI <sup>(1)</sup> Series II Supercharged V6
Horsepower	240 @ 5200 rpm
Torque	280 @ 3400 rpm

### Towing

2600 Series II V6	3.05 final drive ratio
	1,800 maximum gross trailer rate (lbs) <sup>(2)</sup>

Capacity	LS	GS
Trunk, cu ft	16.7	16.7
Fuel tank, gal	17.0	17.0
Base curb weight, lbs	3,473	3,520

Dimensions (inches)	LS	GS
Length	196.2	196.2
Width	72.7	71.7
Height	56.6	56.6
Wheelbase	109.0	109.0
Front tread	62.0	62.0
Rear tread	61.3	61.3

Interior (inches)	front/rear	front/rear
Legroom	42.4/36.9	42.4/36.9
Headroom	39.3/37.4	39.3/37.4
Shoulder room	58.0/57.1	58.0/57.1
Hip room	54.7/53.4	54.7/53.4

(1) Sequential port fuel injection.

(2) Requires Class II frame-mounted trailer hitch.

(3) When properly equipped. Includes weight of trailer, cargo, passengers and equipment. All towing recommendations are subject to change. Check with your truck dealer for the latest information. Trailer tongue load should be 10% of the maximum trailer weight but should not exceed the load rating specified for that vehicle, engine or hitch combination.

**13** As inviting to passengers as Regal is, it's also very much a driver's car, offering grin-inducing performance to whomever turns the key.

**14** Optional dual cassette/CD player and **Concert Sound II** extended-range speaker system flood the cabin with technicolor audio imaging. It'll sound like home.

**15** Over 60 standard safety features from braking performance to safety cage construction will help put you and your family at ease.

**16** The temperature outside is one thing — inside, it's two, with **dual-zone climate control**. It lets driver and front passenger vary the air temperature.

**17** It's so smooth and solid you can actually hear and be heard in a Regal. And the music's awesome.

**18** Regal's advanced **Comfort Team-designed seating** is the most comfortable we've ever offered. And the extended front-seat adjustment means even more people can now enjoy it.

**19** The looks, performance, comfort and handling are so cool, even teens will feel good about being seen in Regal.

**20** 2x4s to boogie boards to snow-skis: the convenient **rear-seat pass-through** area encourages high-performance families to carry on.

## FAMILY FAVORITES

**9** Supple leather seating surfaces grace the body-contoured **front bucket seats**, standard in Regal GS, optional in LS.

**10** Regal's rigid **body structure** further improves an already smooth suspension and helps make the interior a place where you can carry on a quiet conversation.

**11** Always stretch before you play: Regal's style, spaciousness and generous **comfort for five** make ordinary family sedans...well, ordinary.

**12** Regal's micrometer door fit, **triple door seals**, and precision slide glass fit all work together to reduce wind noise.

COMFORT. SPACE. POWER. HANDLING.  
QUIET. SMOOTHNESS. AND MORE.  
REALLY!

YOU'LL FEEL LIKE THIS REGAL WAS DESIGNED  
AROUND YOU. AND IT ACTUALLY WAS.

AVAILABLE SPRING OF 1997

**Important:**

**A word about this catalog.**

We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Buick dealer for complete details. Some models as shown may not be available in California, Oregon, Idaho and Washington.

**A word about engines.**

Regals are equipped with engines produced by different operating units of GM, its subsidiaries or GM suppliers worldwide.

**A word about assembly of Regals.** Regals are assembled by different operating units of General Motors, its subsidiaries or GM suppliers worldwide.

Regals incorporate thousands of components produced by different operating units of GM, its subsidiaries or GM suppliers worldwide. We sometimes find it necessary to produce Regals with different or differently sourced components than originally scheduled. All such components have been approved for use in Regals and will provide the quality performance associated with the Buick name. Since some options may be unavailable when your vehicle is assembled, we suggest you verify with your dealer that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

**A word about updated service information.** Buick regularly sends its dealers useful service bulletins about Buick products. Buick monitors product performance in the field.

We then prepare bulletins for servicing our products better. Now you can receive these bulletins, too. Ask your dealer. For ordering information, call toll-free 1-800-551-4123.

**A word about warranty.**

The GM 3-year/36,000-mile (whichever comes first) Bumper to Bumper Warranty covers repairs for any new Regal, including labor and parts, to correct any defects in material or workmanship occurring during the warranty period. The complete vehicle (including tires) will be covered for 3 years or 36,000 miles, whichever comes first. See your Buick dealer for terms of this limited warranty. Supplemental Restraint System coverage is 3 years regardless of mileage.
